The BECT program has been successfully training members of the building industry since 1995. Participation in BECT training sessions empowers you to maximize your compliance rate with the code. BECT trainings can also reduce your compliance costs by identifying the most cost-effective compliance options and introducing you to best practice guides.

**Training includes:**

- Performance and prescriptive compliance methods
- Framing and fenestration requirements
- Cool roofs and radiant barriers
- Heating Ventilation and Air Conditioning [HVAC] testing
- Mandatory measures
- American Society of Heating, Refrigerating, and Air Conditioning Engineers [ASHRAE] Standard 62.2
- Compliance documentation
- Home Energy Rating System [HERS] inspections
- Cal Green
